

DAXYS

PANNIER BAG DOUBLE (30L)

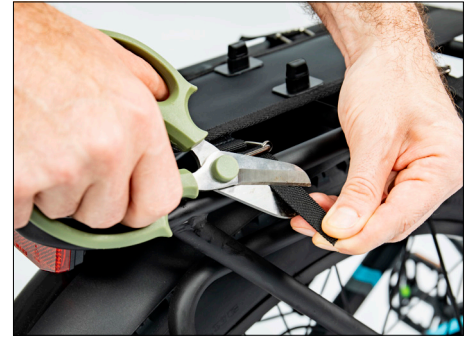

Installation steps:

1. Place the quick-release board on the rack.

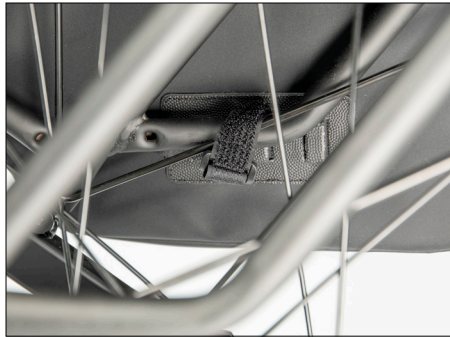

2. After adjusting the position, tie the straps around.

3. You can cut off the excess straps.

4. Put the bag on and lock the knob by 90 degrees.

5. Fix the strap securely on the back of the bag to the rack.

6. Installation is complete.
